Request for Discussion with Judge(s)

In USARS and World qualifying (CIPA) events, no such requests for discussion with a judge can be submitted until the event has been completed and awarded. This form is to be submitted by a registered USARS coach within 24 hours of the completion of said event. If this request is not received within the 24 hour time period, the judge can no longer be expected to retain notes or other records of said event. In discussions pursuant to this request, the coach can expect the judge to speak only about the performance of his athlete. During such a discussion, one of the following individuals **must be** present: a member of the judges' selection committee, the Chief Referee, or the Meet Director. Pending approval of your request, concerned parties will be apprised of the meeting place and time.

Please provide the following information regarding the event in question.
