

What is an endowment?

An endowment fund is very similar to a trust. Gifts are made to the fund which increase its principal. Only the earnings may be spent. An annual "harvest" of these earnings will be used to perpetually fund international travel for our Junior and Senior World Class Team athletes.

Persons or organizations donating resources to the endowment fund will be recognized in USA Roller Sports publications and on the USA Roller Sports website.

The purpose of the endowment is to perpetually fund the International Travel of USA Roller Sports Athletes.

Gifts to this fund are restricted and cannot be used for any purpose other than our World Team Athletes. The net fair market value of your gift can be considered as a charitable contribution for income tax purposes. Acknowledgement of your gift will be provided for income tax reporting purposes.

How You Can Help!

Roller Skating is a wonderful sport that enables athletes to choose different ways of developing their athletic skills. Whether Speed, Hockey or Figure skating, athletes strive for their best performance. When they qualify for a World Team, we want to be able to send them expense paid to that competition. Right now we are unable to do that.

USA Roller Sports, a 501(c)3 organization is seeking the assistance of philanthropic grants and donations from interested skating friends to create an endowment that will ensure these athletes can have their expenses met.

We hope that those people who care about the sport or people within the sport will consider a tax deductible donation to ensure the continuous involvement of talented athletes to compete in International Competition.
